

Leave Me with the Monkeys

Sophie Hunger

Upstairs they have begun to sweep the floors and night begins to
o speak of possibilities, silence promises

The city's full of storylines, do I have to sing those rhymes?
Those possibilities, broken promises

Refrain: Take away your easy jokes and Leave Me With The Monkey
s I know every place to go and will not go for pennies

They talk to me on every screen someone's always calling me Is
this a movie scene, a movie moving scene?

My back is turned against the call, I drop my keys and kiss the
floor countless are the roads from here but my heart is nowher
