

# Take Love Easy

Sophie Milman

Easy, easy  
Take love easy,  
Never let your feelings show  
Make it breezy, breezy breezy  
Easy come and easy go

Never smile too brightly brightly  
When your heart is riding high  
Let your heart break, oh so slightly  
When your baby says goodbye

That well known flame is mighty hot  
As all of us have learned  
So handle it with velvet gloves  
And you won't get your fingers burned

Take love easy, easy  
On the free and easy plan  
And if you can't take it easy  
Take it easy as you can

That well known flame is mighty hot  
As all of us have learned  
So handle it, handle it with velvet gloves  
And you won't get your fingers burned

Take love easy, easy easy  
On the free and easy plan  
And if you can't take it easy  
Take it easy as you can

Oh take love easy as you can  
Yes take love easy, easy as you can
