

Story Of Us

Sophie Zelmani

Is this me, is this you the story of us in four letters of you
Four seasons of us, four seasons of you will end in the fourth
letter to you

The story of me, the story of you

In everyone, I'll still be tied I'm loosing up with four goodbye
es One to cry, one to scream one to ask, one will explain

The story of me, the story of you

Your duty now, four letters long Then you're off and a story'll
be done Here we lived, here we were Let's write the end with a
lover's word
