

# Infatuation

Sophie

You're deadly  
You're heavenly  
Ooh, innocent, hey  
I waited and I waited and I waited  
Da da da...

Infatuation  
Who are you?  
Deep down  
I wanna know  
Infatuation  
Who are you?  
Out there  
I wanna know

You're deadly  
You're heavenly  
Ooh, innocent, hey  
I waited and I waited and I waited  
Da da da...

Infatuation  
Who are you?  
Deep down  
I wanna know  
Infatuation  
Who are you?  
Out there  
I wanna know

Infatuation  
Who are you?  
Deep down  
I wanna know  
Infatuation  
Who are you?  
Out there  
I wanna know

Infatuation  
Who are you?  
Deep down  
I wanna know  
Infatuation  
Who are you?  
Out there  
I wanna know

Infatuation  
Who are you?  
Deep down  
I wanna know  
Infatuation  
Who are you?  
Out there  
I wanna know

Infatuation  
I wanna know  
Who are you?  
Out there  
I wanna know  
I wanna know  
Who are you?  
Out there  
I wanna know  
...

You're deadly  
You're heavenly  
Ooh, innocent, hey
