

Shoobee Doo Bee Doo

Sophie

If I do the right thing for affection
My baby feel me right
Nobody cares about desire
This love is higher

And you need that I say
That my love is free
Don't believe that I show you passion
Baby please can't you see
What I mean is that I love you
Love me you too

Shoo bee doo bee doo my life for you
Lookin' for a life to be together
Shoo bee doo bee doo you're my destiny
I will love you baby forever
Shoo bee doo bee doo my life for you
Every little thing we make it's alright
Shoo bee doo bee doo you're my destiny
I need you baby all night

I feel blue I need my destination
I want you here tonight
And if you love me like a fire
Don't be liar
