Soul Asylum

Almost gave up yesterday, almost made it to the top
Short of dying just the other day, fell short of picking up a m
op

If it's the thought that counts, you can always count on me
I think about it all the time
It's going to hit me like a bolt of white lightning
Here it comes, my peace of mind

Cause I'm close, so close, so close
I'm close, so close, so close

Falling short of proving it, just a hair from the truth
Little shy of improving it, here I come, I'm coming through

Pretty soon I'm going to shed this skin I'm wearing
I've been keeping it inside
No one cares just how you got there
No one cares how hard you've tried

But you're close, so close, so close
You're close, so close, so close

Well I've known you forever, we complete each other's thoughts
Ain't like we never got in trouble, it's just we've never gotte
n caught

And if you've got a secret
It's in me you can confide
And if we ever get split up
I'll always be on your side

Cause we're close, so close, so close
We're close, so close, so close
