Dumb dumb dumb bah did uh dumb.

I need time to scrounge the rent. Need time to contemplate the accident. I got to drag my ass to Now. How did I come to stop h ere? And oh I knew the gas was gone, but I had to rev the motor . Pull back the hand you might get it cut off in the rotor.

Maybe I'll come down.

She's on Loretta's turf. She's on Loretta's side. She's in a be tter state. She feels a better fire. And oh I dreamed a great p arade, shooting all the guns in Brooklyn. The man who had a spa re held out two and then you took one.

Freeze or burn; all else is only icing. Pack your bags, assman!
