

Exhumed

Soul Embraced

Seek and ye shall find
Everlasting power
Pain is deceased
Strength eternal
Savior I surrender
You I love

I decide
I survive
Spiritual apocalypse
God revives

Dominions of the damned
Destroyed and burned
All is crushed
Annihilated
This dead world
Will be no more
God dominates
Killing darkness

Exhume faith
Left for dead
Arise overcome
Nail scarred hands
Deliver us
Embalmed with hope

Savior I surrender
You I love
Wounds cauterized
You wrath is feared
