Perfect crime

1 2 3 4 5

I think I know where all the gold is hidden

I see it sparkle in her eyes

There's got to be some clever way to get it

Outsmart a thousand other guys

I'm gonna commit the perfect crime

It's just a matter of time

I'm gonna commit the perfect crime

Don't know how to break into it

I just know I'm gonna do it

I'm gonna make her heart mine

The perfect crime

I'll take good care she doesn't get suspicious

When I start calling every night

I'll make believe that I don't crave her kisses

My hopes would never be that high

Just when she would last expect it

I'll slip into her secret tory undetected

She better watch it

I'm gonna commit the perfect crime

It's just a matter of time

I'm gonna commit the perfect crime

Don't know how to break into it

I just know I'm gonna do it

I'm gonna make her heart mine

The perfect crime

I'm gonna commit the perfect crime

It's just a matter of time

I'm gonna commit the perfect crime

It's just a matter of time

The perfect crime
