

# Tenderly

Soulstice

The evening breeze caress the trees  
Tenderly  
The trembling tress embrace the breeze  
Tenderly  
Then you and I came wandering by  
And lost in sigh were we  
The shore was kissed by sea and mist  
Tenderly  
I can't forget when two hearts met  
Breathlessly  
Your arms opened wide  
And closed me in inside  
You took my lips you took my love  
So tenderly  
Then you and I came wandering by  
And lost in a sigh were we  
The shore was kissed by sea and mist  
Tenderly  
I can't forget when two hearts met breathlessly  
Your arms opened wide and closed me inside  
You took my lips you took my love  
So tenderly
