

# Me And Myself

Sound Storm

Something in my mind seems to change  
darkness now wraps a piece of my heart  
Oh... Devotion  
the mania for fame brought me to this  
Oh Ambition created by (the) pride of men to corrupt the soul

I was foolish 'cause I groped  
I'm losing control  
For my condition there's no hope  
For one part of me  
I know ...

Oh... Devotion  
the mania for fame brought me to this

No, he returns  
One more time

No, I'm losing control  
He's back, I'm just numb  
Possessing my soul!
