

## It's A S.c.c. Thang

### South Central Cartel

South Central got the niggas with the fat shit  
The 6-4's on D's, Cadillacs with the bumper kits  
Fat sounds in the trunks for the hoes try to squeeze on  
But a nigga still packs chrome  
And muthafuckas wanna rock this  
They come from city to city, then hit the Central and they jock this  
We slang lleyo in the blocks, fuck a cop and get paid G  
Gangbanger peel a cap, see  
Summer hoes on thick  
They ride a nigga's dick like a tick  
When they think a nigga's straight rich  
A drive-by on a nigga: cap cap cap, yo!  
Another life took, here we go  
87's make em bow down  
Hoovers and N-Hood's, 9-0's, unite right now  
And East Coast peel a cap cause cops don't like this  
But South Central's gettin' ruthless  
It's S.C.C., Prodeje and Havikk, loc  
Rollin deep like some muthafuckin criminals  
The A.K. talks better if your ass try to creep on  
It's South Central, get your head flown

Watch your back because I'm movin' real slow  
It's a S.C.C. thang...

In the S.C. bitches jock  
The niggas with a knock-knock  
6-4's drop with the fat knot  
Oreos get bent on the Ides and the E.T.  
Shoot craps and slap bone, G  
5.0.'s ride But after Rodney King O.G.'s load clips  
You heard about the drive-by's, Crips and the Bloods servin' homicide  
But now it's all about tryin to get unified  
Let's take a stroll through my old shit  
Manchester was the park where I kicked it  
Hangin' on the one for the ends, what's the shot?  
Servin' fat dubs to the clucks at my spot  
I moved to the Seven and I still clock grips  
Homies in the hood cap niggas off the tip  
I went to Freemont, muthafucka, yeah, muthafucka  
In S.C. it's straight on, muthafucka  
Every city niggas got they shit  
But yo, in S.C., boy, you gotta be legit  
Cause you get clowned in the wrong hood, fuckin' with the wrong fool  
And they don't give a fuck wearing county blues  
in the S.C.  
I said it's on, and niggas stay down, yo, it's cool, G  
L.A. is where is at, take it from the smooth criminals  
It's something about South Central

Watch your back because I'm movin' real slow  
It's a S.C.C. thang...  
It's a gangsta thang with the S.C. swing...
