

I'm A Little Bit Country

South Park

I`m a little bit country
Well, I`m a little bit rock-n-roll, yeah!
I`m a little for supportin` our troops
And I`m a little for bringin` them home!
I believe freedom isn`t free
No, but war shouldn`t be our goal
We must defend our country!
If it means war then we say: No!

Did you forget them towers in New York?
Did you forget how it made you feel
to see them towers come down?
Were you like me did you think it weren`t real?

I like to rock, but I don`t wanna rock Iraq!
The only kind of rockin` that America should
do is the kind then we can all dance to, yeah!

We got GPS, ICBMs and good old-fashioned lead
We`re gonna show Saddam what America means
that son of a bitch will be dead

Why are we fightin` this war?
There`s a man in the office we didn`t vote for
They didn`t give me a choice, war is not my voice!
Yeaaaaaaaaaahhhh!!!
