

Up There

South Park

Sometimes I think
When I look up real high
That's there's such a big world up there
I'd like to give it a try

But then I sink
Cause it's here I'm supposed to stay
But I get so lonely down here
Tell me why's it have to be that way?

Up there, there is so much room
Where babies burp and flowers bloom
Everyone dreams I can dream too
Up there
Up where the skies are ocean blue
I could be safe and live without a care
Up there

They say I don't belong
I must stay below alone
Because of my beliefs
I'm supposed to stay when evil is sown
But what is evil anyway?
Is there reason to the rhyme
Without evil there could be no good
So it must be good to be evil sometimes

Up there, there is so much room
Where baby's burp and flowers bloom
Everyone dreams I can dream too
Up there
Up where the skys are ocean blue
I could be safe and live without a care
Live without a care
If only I could live up there
Oh I wanna live yeah
I wanna live up there
Oh baby
Oh
I want to live up there
