

Teenage wrecks

Southpaw

Oh, Marr!
Where did you leave your car?
What did you drink last night?
I guess it wasn't just Sprite?
Oh, please!
Where did you loose your keys?
One day you'll loose your head
Or something else instead
This is what you get
You better stay in bed
And don't go out anymore
Don't even touch the door
Oh, Marr!
How could you sell your guitar
And buy those second hand decks?
Now you're a hero of the teenage wrecks
Oh, Marr!
