

Valium man

Southpaw

It was my own decision
To become remote control
But where is my television
To shine and please my soul?

Darling
I'm thirsty
Darling
I'm bursting

Now I feel like vacuum cleaner
Sucking up your rubbish hard
There were times when I was keener
But now I just fall apart

Darling
I'm thirsty
Darling
I am just wasting my energy

And I want to get high on something strong
Don't care if it's right or if it's wrong...

Brand new blood
