I Don't Want To Go Home

Southside Johnny & The Asbury Jukes

I know that it's getting late But I don't want to go home I am in no hurry baby time can wait I don't want to go home Listen to the man sing his song I don't want to go home I don't mind baby to stay alnight long Cause I don't want to go home

Listen baby I know we had to try To reach up and touch the sky baby What ever happened to you and I That I don't want to go home

Look at all the people staying Saying I don't want to go home In the night I don't want to go home I know the words to the song I feel I don't want to go home I know it's talking about the way I feel I don't want to go home

Listen baby I know we had to try To reach up and touch the sky baby What ever happened to you and I That I don't want to go home

I want to hear people laughing And having a good time I want to know why she told me she had to go Why did she leave me lonely

I know it's time to go But I don't want to go home You don't play the blues soft and low Cause I don't want to go home

Listen baby I know we had to try To reach up and touch the sky baby What ever happened to you and I That I don't want to go home
