

Trash It Up

Southside Johnny & The Asbury Jukes

The girl's so refined
Sweet and innocent
Chic and elegant

But pour on the french wine
And miss sophisticated
Turns into x-rated

I feel a frenzy coming on
A sexual storm is blowing strong
Break out the Fredrick's of Hollywood
And I promise I'll be very, very good
Trash it up

Just a little clean fun
Her nightgown is slitted
Delightfully wicked

A quiet evening at home
Indulging passions
With some naughty fashions

Press all the buttons of sensation
Come on strong like a power station
Get out the Fredrick's of Hollywood
And I promise I'll be very good
Trash it up

For dinner it's love, gimme my ration
Make it burn all night like a power station
Whip out the Fredrick's of Hollywood
And I promise I'll be very good
