

## A Nugget Of Joy From Zorak

Space Ghost

Now, here's Zorak  
With a lovely nugget of joy for us  
The life of a rodeo clown is a painful  
And solitary existence  
I know, for I am a rodeo clown  
Oh, you are not  
I am, too  
You are not!  
Well...I wanna be one  
That doesn't count
