

I Love Beans

Space Ghost

Here's a lovely song about my favorite food
Lima, lento, soy, and pinto
Navy, northern, and garbanzo
Kidneys and frijoles negros
I love beans
I love beans
Woo woo woo!
I love beans
How 'bout you?
High in fiber
Low in fat
Hey, I betcha didn't know that
When I eat beans
I sit in my own little cloud
Nobody comes to visit me
In my little cloud
I don't know why
Maybe 'cause I'm cuttin' muffins
Because...
I love beans!
Hey hey hey!
I love beans everyday!
Beans are an excellent source of protein
I love beans!
Diggydoo!
