

## Oh That Feeling

Spain

Girl  
Oh that feeling  
That was the love  
You've been needing

Girl  
Your heart's beating  
Faster now  
You ain't dreaming

Yes it was  
That was love

Don't let it slip away  
Love's there for you to take  
Stop playing these games with fate

Girl  
You've been waiting  
You feel so much  
Has been forsaken

Girl  
Your heart's aching  
For the touch  
Love's awakened

Yes it was  
That was love

Don't let it slip away  
Love's there for you to take  
Stop playing these games with fate  
Oh girl before it's too late
