I must not be hasty.

My first inclination would be to tell them to go to Hell, but I  $_{\rm must}$ 

not be hasty.

My first inclination is to tell them they don't deserve an arti st of

my stature, but I must not be hasty.

I've struggled all my life for money for my films and the one thing

these people have is money, so I must not be hasty. Perhaps I could be one of the lucky ones who survive in Hollywood. So I must not be hasty. I must not be hasty
