Wack wack wacky wacky women Wack wack wacky wacky women

Hello, everybody, this is Russel
Right before I sing I'm gonna make a muscle
Now that's out of my system
Here's some McFcnchen wisdom

They're cool and they know it Don't drool or you'll blow it

Wack wack wacky wacky women Wack wack wacky wacky women

All they like is sex and sitcoms
Try to be suave, they'll kick you in the bonbons
Medic, medic, medic
There goes my athletics
I'm bananas over
I'm bananas over

Wack wack wacky wacky women Wack wack wacky wacky women

Wack wack wacky wacky women Wack wack wacky wacky women Wack wack wacky wacky women

Order in the court and here's the charges Under the influence of wacky women How do you plead, quit making muscles Guilty, guilty

Have mercy you honor
Show compassion you honor
My feelings are genuine
Don't take me away from them
Don't take me away from them
Wack wack wacky wacky women
