

See You In The Light

Spearhead

I have been travelling down this river, so many rocks pop up in my sight.

I've got to make some quick decisions, should I go left or should I go right.

I pray for guidance and protection, it keeps my boat watter tight.

But I know, if I just keep on believing, every little things all gonna be allright.

When I wake up, in the morning. I Hope I see you in the light.
And when I wake up, in the morning. I hope I see you in the light.

And the loveliness, and the tenderness,
And the happiness, and the openness,
And the togetherness, and the loveliness.. yeahyeah

Vampires gather round me, angle to take a bite.
They wanna drink my blood of courage, and try to take away my fight.

But no, no, no, they can't do that, (noo)
for one truth I've learned in life.

You want to scare away the vampires,
You simply guide them into the light.

But when I wake up in the morning I hope I see you in the light
When I wake up in the morning I hope I see you in the light

In the morn, in the morning ...

And when my time is done, I did some right I did some wrong.
Call my name to kingdom come, spread my wings in flight.
I hope that when my day is over my love I'll see you in the light.

Loveliness and tenderness
And happiness and openness
And happiness.. yeahyeah
