```
You're fucken awesome
You're fucken awesome
You're fucken awesome
You're fucken awesome
Just diggin' ya now
I'm diggin' ya now
I'm just diggin' ya now
I'm diggin' ya now
Don't wanna walk away
I couldn't anyway
You fill my empty day
You know you make me stay 'cause
You're fucken awesome
And you're fucken awesome
And you're fucken awesome
And you're fucken awesome
Just diggin' ya now
I'm diggin' ya now
I'm just diggin' ya now
I'm diggin' ya now
Don't wanna walk away
I couldn't anyway
You fill my empty day
You know you make me stay 'cause
You're fucken awesome
You're fucken awesome
You're fucken awesome
You're fucken awesome
Don't wanna walk away
I couldn't anyway
You fill my empty day
You know you make me stay 'cause
Don't wanna walk away
I couldn't anyway
```

You fill my empty day

You know you make me stay 'cause
