

More Than She Knows

Spin Doctors

I know she's got everything she wants
I know she's got everything she needs
I know she needs that more than she knows

I know she's got everything she wants
I know she's got everything she needs
I know she needs that more than she knows

She come on so sweet and kind
I wonder if I'm on her mind
She always turns away
I know I'll get her, one of these days

I know she's got everything she wants
I know she's got everything she needs
I know she needs that more than she wants, hey

I know she's got everything she wants
I know she's got everything she needs
I know she needs that more than she knows

Has more than she knows wants, yeah
More than she knows wants
More than she knows wants, yeah
More than she knows wants, hey
