

## To Make Me Blue

Spin Doctors

Oh, it's you, I love the things you do  
To make me blue  
Oh, it's true, I love the things you do  
To make me blue

To make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, to make me blue

Oh, it's me, you love to watch me speed  
Across the sea  
Oh, I'm free, I love the way it's all  
I need to be  
To make blue...
