

Rock 'N' Roll Creation

Spinal Tap

When there was darkness and the void was king and ruled the elements,

When there was silence and the hush was almost deafening

Out of the emptiness

(Salvation!) Salvation

Rhythm and light and sound

Twas the rock and roll creation

Twas a terrible big bang

Twas the ultimate mutation

Ying was searching for his yang

And he looked and he saw that it was good.

When I'm alone beneath the stars and feeling insignificant

I turn within to see the forces that created me

I look to the stars and the answer is clear

I look in the mirror and see what I fear

Tis the rock and roll creation

Tis the absolute rebirth

Tis the rolling of the ocean and the rocking of the earth

And I looked and I saw that it was good
