

## Uncle Jack

Spirit

Gazing on the seaweed skies  
Falling down before your eyes  
He can show you (show you).

Have you met my Uncle Jack?  
Have you met my Uncle Jack?  
Wonder what you're all about  
He can bring the inside out  
He can show you (show you).

'So many lives to live' - I heard him say  
'But some people live to give themselves away'  
'To find peace of mind, waiting where they can't get it'.

Standing there, he's so deceiving  
Has he been or is he leaving  
Looking in his sea green eyes  
Uncle Jack will tell no lies  
Can you see it?

'So many lives to live' - I heard him say  
'But some people live to give themselves away'  
'To find peace of mind, waiting where they can't get it'.

Have you met my Uncle Jack?  
I want to take you in hand  
Let you see and you will understand  
I can show you.
