

## Lost

Spiritfall

when i look into your eyes  
and see the damage i've caused  
i feel so empty deep inside  
i feel sorry for you

when i try to understand me i'm lost  
when i try to see within me i'm lost

it's too late to turn back the clock  
ot the better we had  
yet i know what to do but it's too late for you

i'm lost within me
