

Frenzy

Split Enz

The frenzy never satisfies
It doesn't help you socialize
And seldom will it instigate a riot
It's not a dance or a teenage craze
But if you're lost in a mental maze
The frenzy will erase the haze
Now try it

Move to the Frenzy
Everybody lose control
Move to the Frenzy
It's for the young and the old
Move to the Frenzy
Where's it all going to end
Move to the Frenzy
Everybody's round the bend
