

Marooned

Split Enz

Pull up a flag or light a fire
Or send up a flare
Build me a beacon
Seems there's no other way out of here
Inform the local correspondent
Tell him to phone in
Tell the papers, put it over the air
I'm marooned

build me a schooner or a punt
Or a dug-out canoe
A Sputnik a biplane
Just a rusty jalopy will do
Call the folks and say I'm castaway
I'll even resort to tacking chances
In a hot air balloon
I'm marooned
