

Remember When

Split Enz

Remember when
We were discovered
A race of men
The blaze of colour
Upon the beach we watched you sailing in

Remember when
We could walk on water
Intrepid then, you made us falter
Without your creed we lived by deed alone

We used to break our way through forests
The crashing fern, the joyful chorus
A tribe of men
Do you remember when?

Remember when
Remember when
Remember when
Remember when
Remember when
