

## Fade From View

Sponge

We are the dear departed  
The ones that walk alone  
We are the last ones standing  
No where to call our home  
You won't be soon forgotten  
You won't be left behind  
When everything fades to black

Everywhere I go  
I fade from view  
When I think of you  
I'd like you to know  
That you're here with me  
In my finest hour  
Everywhere I go people  
Fade from view  
They fade from view

We are the ones unbroken  
Remembered for all time  
Brought up into the battle  
Remembered for our fight  
Into eternity hear our cries  
Echoing  
When everything fades to black

Everywhere I go  
I fade from view  
When I think of you  
I'd like you to know  
That you're here with me  
In my finest hour

Everywhere I go  
People fade from view  
Are you fading too?  
I'd like you to know  
You can fade with me  
It's our finest hour, finest hour, finest hour
