

# Feels Like Love

Sponge

I was not looking for anybody  
I was not searching, searching for a thing  
I was not looking for a new direction  
I was not lost trying to find my way

But I know I got a bad reputation  
And I know I've been accused of hit and run  
I found myself a brand new sensation  
I'm blowing like a loaded gun

I found something  
I need a lot of  
I found something  
It feels like love

I was not down, I was not down for broken hearted, broken hearted  
I was complete not missing anything  
I thought love, I thought love really didn't matter, really didn't matter  
It was a feeling that had come and gone one thousand times before

I know I've got a bad reputation  
I know I've been accused of hit and run  
I found myself a brand new temptation  
I'm blowing like a loaded gun

I found something  
I need a lot of  
I found something  
It feels like love

I know I've got a bad reputation  
I know I've been accused of hit and run  
I found myself a brand new temptation  
I'm blowing like a loaded gun

I found something  
I need a lot of  
I found something  
It feels like love  
I found something  
I need a lot of  
I found something  
It feels like love  
It feels like love  
Feels like love  
Feels like love  
Feels like love  
Feels like love  
Feels like love  
Feels like love  
Feels like love  
Feels like love  
Feels like love
