

Unpopular Girl

Sponge

She could be anyone
A prayer in a winged uniform
She says things to me
Like what life's about
And what life ain't supposed to be

An unpopular girl
She's an unpopular girl
An unpopular girl
In my world

She could be anyone
She likes her cigarettes and her tea
She tastes like cardamom
The scent of hardy mums
Oh God blessed be

An unpopular girl
She's an unpopular girl

An unpopular girl

She don't talk to anyone
She could be with anyone
She could have me just for fun
Just for fun

Shunned like an animal
Two black eyes in a cage
She is a tattoo
Of a rainbow on my face

An unpopular girl
She's an unpopular girl
An unpopular girl
In my world

An unpopular girl
An unpopular girl
An unpopular girl
