

Carolina's cheap  
Oh she kneels down, down  
Goes around, on a coffin, all night  
But to me  
Well she's nowhere now  
She'll be nowhere tomorrow when you smashed all the, smashed al  
l the  
Cvantez, cvantez, cvantez  
Cvantez, cvantez, cvantez  
She's not down with the revolution  
She's not hip and part of the nation  
Cvantez, cvantez, cvantez  
Cvantez, cvantez, cvantez  
She's not down with the revolution  
She's not hip and part of the nation
