

Jealousy

Spoon

Jealousy
You have never done a thing for me
No you've never done a thing for me
Jealousy
Jealousy
Things go wrong
It sends me somewhere that I don't belong
Yeah it's just some place that I don't belong
Things go wrong
Jealousy
I think of him and I get so carried on
I think of him
Alright
Da da da
I think of him and then things get carried on
Now now I think of him
And it's jealousy
But it's never done a thing for me
No it's never done a thing for me
Jealousy
