Sprung Monkey

Hey mr. funny face I was just wondering What are you thinking Hey mr. funny face I was just wondering What are you feeling Walking down the street And everyone is staring at you Pointing their fingers as you walk on by And if you stop to speak well they'll Soon be laughing at you having their fun Just trying to make you cry mr. funny face Maybe I'm a shallow man I was just thinking Maybe I'm a shallow man cause I was just thinking If I was walking down the street And everyone was staring at me Pointing their fingers as I walked on by And if I stopped to speak and everyone was Laughing at me I'd probably turn my head, run and hide But no you don't run, and you don't hide You just stand proud as you look them in the eye No you don't run, no you don't cry You just smile and say hello, and then you turn and Wave goodbye mr. funny face Dream the dream it's a good dream yes it seems Everything you've done to me Cause I see the way you hold yourself Amongst the world's adversity Because there's a tear that leaves me everytime I see all the things they've done to you Cause I know how you must fell inside But I know my heart and I know I tried No you don't run, no you don't hide You just stand proud as you look them in the eye No you don't run, no you don't cry You just smile and say hello, and then you turn And wave goodbye mr. funny face Mr. funny face mr. funny face
