A Johnny Ace Christmas

Squirrel Nut Zippers

It's Christmas Eve, people But someone's got to go It's Christmas Eve, people But someone's got to go

I never thought he'd have the nerve But that just shows you what I know

He had a sweet and lonely voice How I wish that he had stayed He had a sweet and lonely voice How I wish that he had stayed

But the dealer dealt the cards And the ace has done been played

He used to talk about forever
Forever and a day
But when you get down to it
Things just don't work out that way

Merry Christmas Johnny Though you're leavin' now The anticipation's better Than the real thing anyhow
