Squirrel Nut Zippers

Say what that's what my baby said to me Say what that's what my baby said to me well, i ask her do you love me? all she ever says it's Say what? Do what? that's what my baby said to me now, do what? that's what my baby said to me well, i ask her do you love me? all she ever says it's Do what? Do what? that's what my baby said to me now, do what? that's what my baby said to me well, i ask her do you love me? all she ever says it's Do what? Do what? Now, do what? Want me to do what?
