

It Ain?T You

Squirrel Nut Zippers

I've been searchin' all over for someone
I can tell my troubles to
Searching all the wide world over
Is it you?
Is it you?

Are you the kind of man that marries,
Then gets his mind on somethin' new
You've got to let me know, I'm all alone
Is it you?
Is it you?
Is it you, baby?
Is it you?

I confide in you
You seem to understand my point of view
I moan and sigh
You can't understand why
Can't understand why

(Musical Interlude)

I confide in you
You seem to understand my point of view
I moan and sigh
You can't understand why
Can't understand why

I've been searchin' all over for someone
I can tell my troubles to
Searching all the wide world over
Is it you?
Is it you?
Is it you, baby?
Is it you?
