

My Drag

Squirrel Nut Zippers

My drag, it's a weight on my back
I'm lost in a stack without my drag
My blues, alone and confused
Oh, I'm spreadin' the news about my drag

I could go right along singin' songs
Of love that happiness brings
If I'd stop for a while, I can smile and be glad
But that crazy feeling comes back bad

Oh, my drag, it's a hound on my tracks
I just fell through the cracks into my drag
