

## Someone Like You

Stage Dolls

All the time  
You are on my mind  
And I can't find a way to let you go..  
Can't you see what you do to me  
It's hard to be left here all alone  
I can chase this dream forever  
Cuz you're always on my mind  
We are meant to be together  
And now is the time, to make you mine  
I wanna kiss someone like you  
I wanna feel the way I do  
Wanna hold you in my arms when you are dreaming  
I wanna say the magic words, wanna tell you how it hurts  
To be the one  
To love someone like you.  
If you knew  
What I felt for you hey!  
What can I do, it's tearing me apart  
Every day, every day I pray  
That I find a way to open up your heart  
When the nights are getting colder  
U need someone to keep u warm  
Maybe need someone to hold her  
Let me be the one  
Let me be the one  
I wanna kiss someone like you  
I wanna feel the way I do  
Wanna hold you in my arms when you are dreaming  
I wanna say the magic words, wanna tell you how it hurts  
To be the one  
To love someone like you.  
I can chase this dream forever  
And now is the time  
To make you mine
