## **Japanese Denim**

Get money, bump everything else Stay hustling, Goyard on the belt Seven ringing, got money on my cell Japanese denim, low top YSLs Get money, bump everything else Stay hustling, Goyard on the belt Seven ringing, got money on my cell Japanese denim, low top YSLs

Twisting up platinum cookies, weed on the scale My shooter ride shotgun with a shotgun full of shells If a nigga act up I got enough to get his bail In the Lambo all black, I'm the black Christian Bale Supreme camo sweats when I'm sliding through the field Money hunter on the paper route trying to stack mills Couple Ms ain't enough man I'm trying to stack for real Put my family on the hill, Calabasas next to Seal Chevy or the Rolls, just depending how I feel I don't play with it, I slay shit, yah I'm out to kill Ski mask with the grill looking like Young Buck Deep dishes on the wheels swinging like nunchuks

Get money, bump everything else Stay hustling, Goyard on the belt Seven ringing, got money on my cell Japanese denim, low top YSLs Get money, bump everything else Stay hustling, Goyard on the belt Seven ringing, got money on my cell Japanese denim, low top YSLs

Niggas hate to see you dream, they make it so clear So I make that light beam on their little nightmare They say the top is so far, tell 'em I'm sitting right there Cause I make it look easy, believe me, I am quite rare Chevys squatting on tens like Dennis Rodman Twelve pistons my engine steady mobbing Presidential my wrist with heavy diamonds I put my life in this music with heavy climax Put the world on alert with heavy sirens I put the world on a shirt, don't even try it They say negative fame'll kill a tryant I paint pictures and frame my life inside it Mine is Salvadore Dali with a full beard Dressed in Armani watching time melt with a black stare With my mind on my money, that vision be so clear I'm focused that focus ain't going nowhere
