They ask me why I hardly kick the bragger raps I told 'em 'cause I zone and got to a habit to em My life's real I just paint together what traffic in I don't exagerate my life bot even a tired bit And extreme this bastard with the joint lid Soldiers on my side I announce it.50 I lose it we don't roll with Everyone's an enemy if you don't roll with PCG geniuses a team of kings and queens that believe in this Overcoming struggles that we screamers with That fill bulimic stomach make money Just to feed the kids, I know that feeling 6 months ago You can still see my ribs, life ain't what you think it is so think before You wish for this My life is like a fisherman's I sit by water fighting winter winds Now I'm in the tinted bens colours cinnamon Feeling like an enemy of the working man Trying to keep a hold on my soul and what I came for And not just work for bens, calluses all working hands Sweeping turd hands, swiss watches with the gold bam Silver can and still reserve, I still deserve this whole land Forty acres in the mule on top of a mountain

Came from the bottom but now we on top Picture me rolling in a porsche a top drop Today is golden, picture me rolling Came from the bottom but now we on top Top of the world

They asked me while I hardly kick the gangsta' raps I told them if you gain you'll have to say you that

I'm a loyal nigga I don't have to play with straps And I take my crap seriously I don't play with raps I'ma, I'ma dog I'm a beast I don't pussycat a lolli gag Most these niggas can't beat the polygraph I got poly swag a bunch of mali fags I kicked out Or some other trash lying about how they fake pass Or how they let foreigners crash But never seen a foreign tag red wine pour my glass French maze all cry vengence beignet and prom dinners Pretends this a damn sinner Now it's more gangster than that Young nigga out the trash, young enough to start in the meth All from the words in the scrabble words sniff are worthy of that Who gave a normal life with scars and stripes it's own soundtrack So you can see you can do it too I work inside a cubicle Sore shoes then I got on pro tools And painted my views through the seats of this old school Now it's 40 acres in the mule with a mountain view Now it's 40 acres in the mule with a mountain view

Came from the bottom but now we on top Picture me rolling in a porsche a top drop Today is golden, picture me rolling Came from the bottom but now we on top Top of the world
