

Soul Searching

Stalley

Roll the weed up nigga
Kick your feet up nigga
This is freedom nigga
No mumbo jumbo
No humble rumble
I've come from the jungle
So it's only right I share my struggle
Hope it helps you get your mind out that bubble

Roll the weed up nigga
Kick your feet up nigga
This is freedom nigga
No mumbo jumbo
No humble rumble
I've come from the jungle
So it's only right I share my struggle
Hope it helps you get your mind out that bubble

I been soul searching layin' low
And it's been so worth it, it's been so worth it
I been near the wharf lately goin' crazy
I admit I ain't been so perfect
I ain't got no time for no f*ckniggas
I'm the one who f*ck niggas
I've got a real short circuit
I deny the lies and scrutinize in the same rap
Niggas just don't know how to work it
I've been wavesurfin' while these niggas can't surf
Don't compare me to nigga rap out
We don't serve the same purpose
I be with the lines and the type
These monkeys in a whole different circuit
I'm puttin' on a show, tell 'em hold for the curtains
Got to pass the light flow, I be givin' out sermon
For all the non-believers, here's a little life service
I cam out the shadows with my little light surface

Roll the weed up nigga
Kick your feet up nigga
This is freedom nigga
No mumbo jumbo
No humble rumble
I've come from the jungle
So it's only right I share my struggle
Hope it helps you get your mind out that bubble

Roll the weed up nigga
Kick your feet up nigga
This is freedom nigga
No mumbo jumbo
No humble rumble
I've come from the jungle
So it's only right I share my struggle
Hope it helps you get your mind out that bubble

Stand alone on my own two
What a man that I've grown to

They say patience is a virtue
I nurture all that pain that I go through
And dissin' all the rain just to show moves
I break laws, bend rules
Ten toes, I be runnin' to the check like the track meat
Not to anyone I take a back seat
I'm out front if anyone got a problem
I ain't hidin' in no back street
Then like how I feel about them other niggas shit
It's half them if you ask me
Matter of fact, there's no word for a bird nigga
Facts be, I'd rather swerve, wave surf with my Mach 3
Lazy nigga with the gat, see that
Wanna love 'em so I cut 'em like a patsy
Then I'm out the way the cash be

Roll the weed up nigga
Kick your feet up nigga
This is freedom nigga
No mumbo jumbo
No humble rumble
I've come from the jungle
So it's only right I share my struggle
Hope it helps you get your mind out that bubble

Roll the weed up nigga
Kick your feet up nigga
This is freedom nigga
No mumbo jumbo
No humble rumble
I've come from the jungle
So it's only right I share my struggle
Hope it helps you get your mind out that bubble
