

# Come Back Home

Stan Walker

Oh baby baby  
Baby baby come home

Oh baby baby  
Baby come home

We've got 99 problems (hmm)  
And I know I'm one of them (yeah)  
I wish nothing but good for you  
Is there something that I could do at all (hmm)

We had to go our separate places  
Into a world of different faces  
Oh darling I need to know  
Before we grow, grow, grow too far apart

When you're ready  
Baby won't you come back home

Oh baby baby  
Baby baby come home

Oh baby baby  
Baby come home

Weren't we happy together (hmm)  
Why'd we give it all up (ohh)  
I'm just hoping from dusk to dawn  
That I loved you and that's enough (eh, eh, eh, eh, yeah)  
You know I want you to be happy  
I just don't want you to be fine without me

Oh darling I need to know  
Before we grow, grow, grow too far apart  
When you're ready  
Baby won't you come back home

I had to search the world to find me  
Had to search myself to find you  
I had to look for what's inside me  
I had to lose myself to find a home

Oh baby baby  
Baby baby come home

Oh baby baby  
Baby come home

Said baby come home

Oh baby baby  
Baby baby come home

Oh baby baby  
Baby come home

Won't you come home?

Oh baby baby  
Baby baby come home

Oh baby baby  
Baby come home

I just want you to be happy  
But I want you to be happy with me  
Well darling I need to know  
Before we grow, grow, grow too far apart  
Are you ready?  
Baby come home
