

# Gimme Your Love

Stan Walker

(Yeah, yeah)

This is something different  
This ain't the usual  
So sit down girl and listen  
I was playing hard to get  
And I was switchin' places  
So let's just take our time  
To sort the situation  
Yeah

Tell me you love me  
Tell me you need me  
I would come running  
Oh, just to be right by your side  
Where I should be  
You know this is real, so real

I've been catchin' vibes on you  
Girl, I know you feel it too

Gimme, gimme, gimme all your love  
Gimme, gimme, gimme all the love  
I got, I got more love to give  
I got, I got more love to give

This is my confession that I'm sayin' to you  
You won't believe it if I try to tell you, but this is true  
I'm insecure, but I'm okay with that 'cause this is for you  
Let's just forget about the past and look on to the new  
Let's get it

I've been catchin' vibes on you  
Girl, I know you feel it too

Gimme, gimme, gimme all your love  
Gimme, gimme, gimme all the love  
I got, I got more love to give  
I got, I got more love to give

Tell me you love me  
Tell me you need me  
I would come running  
Oh, just to be right by your side  
Where I should be  
You know this is real, so real

I've been catchin' vibes on you  
Girl, I know you feel it too  
(Oh yeah, uh)  
(Oh yeah, oh yeah)

Gimme, gimme, gimme all your love  
Gimme, gimme, gimme all the love  
I got, I got more love to give  
I got, I got more love to give

Gimme, gimme, gimme all your love  
Gimme, gimme, gimme all the love  
I got, I got more love to give  
I got, I got more love to give
