

I Surrender

Stan Walker

To know You Lord
In Your presence I desire
Search my heart
And know me God
As I lay me down
I can rise and stand

I desire to worship
I desire to praise Your name
I desire worship
I desire to praise Your name
I fall at Your feet

To know You Lord
In Your presence I desire, yeah
Search my heart
And know me God
As I lay me down
I can rise and stand

I desire to worship
I desire to praise Your name
I desire to worship
I desire to praise Your name
I fall at Your feet

Cover me now with Your blood
As we're moving forward
We're moving forward with You
Empower us with Your grace
We will rise like eagles
Rise like eagles with You

Cover me now with Your blood
As we're moving forward
We're moving forward with You
Empower us with Your grace
We will rise like eagles
Rise with You Jesus

Jesus
Rise with You Jesus

I surrender
I surrender
I surrender
I surrender
I surrender
I surrender
I surrender
I surrender

I surrender
I surrender (Yeah, yeah)
I surrender
I surrender
I surrender (Yeah)

I surrender (I surrender)
I surrender (Yeah)
I surrender

I surrender
I surrender
I surrender (Yeah-yeah)
I surrender (Yeah)
I surrender
I surrender (I surrender)
I surrender (I surrender)
I surrender

I surrender
I surrender
I surrender
I surrender

I desire to worship
I desire to praise Your name
I desire to worship
I desire to praise Your name
I fall at Your feet
